

## Workshop Venue

Auditorium del Conservatorio Statale di Musica  
«F. Venezzes»  
Via F. Pighin - 45100 ROVIGO

## Working languages

The working language of the conference is English.  
Translation from/to Italian is available only for the opening session.

## Attendance and registration

Attendance is free of charge. However, registration is mandatory. Attendees can register by sending an email to [ciga@unipd.it](mailto:ciga@unipd.it) or [lacour@ivry.cnrs.fr](mailto:lacour@ivry.cnrs.fr)

## Information

For further information, please contact the Organising Committee at [ciga@unipd.it](mailto:ciga@unipd.it) or check the CIGA website at [www.ciga.unipd.it](http://www.ciga.unipd.it)

The workshop is co-organised under the patronage of

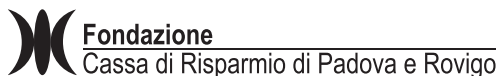

and in Association with of

The workshop is supported by:

CIGA - Centro Interdipartimentale di Ricerca e Servizi per le Decisioni Giuridico-Ambientali e la Certificazione Etica d'Impresa  
is supported by

CENTRO INTERDIPARTIMENTALE DI RICERCA E SERVIZI  
PER LE DECISIONI  
GIURIDICO-AMBIENTALI E LA CERTIFICAZIONE  
ETICA D'IMPRESA - CIGA

CENTRE D'ETUDES SUR LA  
COOPERATION JURIDIQUE  
INTERNATIONALE

## International and Interdisciplinary Seminar

# Normative pluralism & Nanotechnologies

*L'internormativité dans la  
régulation  
des nanotechnologies*

Rovigo, Italy, 3 & 4 June 2010

**Thursday June, 3<sup>rd</sup>, 2010 - Morning**

**9h30-10h30**

**Welcome and opening speeches**

FAUSTO MERCHIORI, Mayor of Rovigo

TIZIANA MICHELA VIRGILI, President of the Province of Rovigo

ANTONIO FINOTTI, President, Fondazione Cassa di Risparmio di Padova e Rovigo

ROBERTO TOVO, President, Consorzio Università Rovigo

LUIGI ROSSI LUCIANI, President, Veneto Nanotech Scpa

VITTORIO DOMENICHELLI, Director, CIGA

STEPHANIE LACOUR, Scientific coordinator, NanoNorma

**10h30-12h30**

Roundtable :

**"A variety of norms in the field of nanotechnologies"**

- Legal normativity: requirements, aims and limits: a legal philosophy perspective.

ELENA PARIOTTI, University of Padova

- The normativity of nanotechnology: a sociological perspective.

LUIGI PELLIZZONI, University of Trieste

- Technical standards in the field of nanotechnologies.

FRANCK VIOLET, Université catholique de Lyon - NanoNorma

- What is a nano object? On the relations between science and technology towards objects in the nano scale.

ANDREA BONACCORSI, University of Pisa

*Chairman:* PHILIPPE GALIAY, European Commission

**Afternoon**

**14h30-17h30**

Roundtable: **"How the multiple norms may impact nanotechnologies?"**

- The role of standardisation in the creation of markets for nanoproducts.

AURÉLIE DELEMARLE, ESIEE

- The economic impact of norms in the nanotechnology sector: where do we stand?

BÉATRICE DUMONT & DANIELE BENEZECH,  
Université Rennes 1, CREM-CNRS.

- The future of Nanotechnologies in public Debates and social Protests. What does it mean to call to revolt against Science?

FRANCIS CHATEAURAYNAUD, EHESS - Groupe de Sociologie Pragmatique et Réflexive

*Chairman:* JACQUELINE ALLAN, Senior Policy Adviser, Forfás, Ireland. (formerly OECD "Working Party on Nanotechnology" Responsible).

**Friday, June 4th**

**Morning**

**9h30-12h30**

Roundtable:

**"Exploiting the resources of internormativity to answer the questions raised by nanotechnologies"**

- Sorcerers of law and new technologies - Magic and poison.

GEERT VAN CALSTER, Katholieke Universiteit Leuven

- Normative Pluralism and responsibility of firms in the fields of nanotechnologies.

Can the solutions of the jurists be find in something else than law?

GUILLAUME CANSÉLIER, CNRS-CECOJI - NanoNorma

- Is social normativity suitable to frame Nanotechnology developments? The case of the french public debate on Nanotechnology.

SOLANGE MARTIN, French Minister for Environment-ADEME

*Chairman :* PIERRE-BENOÎT JOLY, INRA IFFRI

**Afternoon**

**14h30-16h30:** General Discussion

*Chairman:* GARY MARCHANT, Lincoln Professor of Emerging Technologies, Law & Ethics, Sandra Day O'Connor College of Law
